# Setting Up for Success!

Begin the year by learning more about the Teach Standards in professional development sessions led by master educators!

Three different series will be offered. You can attend as many sessions as you would like! Register for the individual sessions on PD Planner: [dcps.schoolnet.com](http://dcps.schoolnet.com). Participants will receive 2 PLUs for each session.

### ECE Teach Series

Tuesdays 4:30-6:30pm @ J. C. Nalle Elementary  
August 26 – September 23

This five-week series is designed especially for early childhood educators (preschool, pre-K, kindergarten) and will focus on the ECE TLF rubric.

### Teach Series

Wednesdays 4:30-6:30pm @ Hendley Elementary School  
August 27 – September 24  
Teach 1, Teach 2, Teach 3, Teach 8, Teach 9

Mondays 4:30-6:30pm @ Kelly Miller Middle School  
September 8 – September 29  
Teach 4, Teach 5, Teach 6, Teach 7

This series will deeply investigate one Teach standard in each session. Sessions will begin with a review of key parts of the Teach standard. Effective and highly effective instructional strategies will be shared, and teachers will cooperatively explore how to integrate new ideas into their classroom practice.

### Teach 9: *Developing Rapport and Investment During the First Weeks of School Series*

Thursdays 4:30-6:30pm @ Miner Elementary School  
Sept. 5 to Sept. 17

This three-week series will focus on supporting teachers in developing a culturally and emotionally responsive classroom through the lens of Teach 9. Sessions will include opportunities for teachers to develop systems and tools that will support the teacher in building rapport and investment among students.

It is recommended, though not required, that teachers attend all three sessions as the content will build from week to week.
