

Washington Teachers' Union

WE'RE IN IT TO WIN IT!

As contract talks start up again, let's give our Bargaining Team the support they deserve!

- Everyone has a real stake in the outcome of negotiations, and winning a good contract will take ALL of us!
- Our bargaining team can only be as strong as WE are!
- When we stand together, it sends a strong message to management.
- Our united action gives our negotiating team the power and leverage they need at the bargaining table as talks resume.

Sign up to show you're standing with our team!

YES! I will support the WTU bargaining team by wearing **RED** on **December 2.**
